SPOTLIGHT ON OUR INTERNATIONAL FRIENDS

Since Olave '89 the camp has always been about our WAGGGS family, making new friends, learning new songs and traditions. Here are some pictures of us enjoying camp together.

Guides have been busy badge swapping at the Pier Cafe in the evenings as part of Sun and Stars. You'll have lots of new international badges and stories to share.

Sisters by chance, Friends by choice

England, Caribbean united as one
When we're together it's nothing but fun
Not strangers but sisters though we've only just met
An unbreakable bond? We just don't know yet.
Pink Flamingos together through thick and through thin
Never a dull moment, where do I even begin?
From breakfast to dinner, in sunshine and rain
By the end of camp Olave, new sisters we'll gain
