Our fabulous crew serving their Olave community

THANK YOU TO OUR SUPER SERVICE CREW!

The Service Crew have been busy all week keeping camp running for us. They have been behind the mess tent washing up, running evening activities and looking after the Bucket and Spade, they made the lanterns for the opening ceremony, helped the welfare team, and hosted the afternoon tea for our Trefoil Guild and County Associates.

Camp couldn't have run so smoothly without all our volunteers - we appreciate the time you have given and everything you've done this week. *And finally: thank you for all your spending and fundraising for the RNLI, we have raised over £2000 at the open day market stalls and the Pier Cafe.*

CRISP PACKETS

Thank you for saving all your crisp packets! These will go to Terracycle for recycling to fundraise for Oscar's Wish Foundation.

Sea you later! Guides in the procession for the closing ceremony

JOKE OF THE DAY

What's the worst thing about cleaning a pirate ship?
The Barrrrrrrnacles!

Overheard at Olave

Leader: "Girls! Be careful with that fish - you'll take someone's eye out"

Happy Birthday!
Miriam, 13, Turquoise Turtles.
Lesley, Rainbow Fish.

Oh how the time flies

For the first day, Olave was fun, little did I know it had just begun. We tried new things, which was great, had exciting adventures, and even made new mates. We had some trauma, the tents blew away, but we all worked together, to save the day. Now it's all finished, we have to say our goodbye's, seven nights of joy, oh how the time flies. *Sigourney, Maisie and Katie - Green Octopus*
